Anamateur & Pros (feat. Kassetas/Kostopoulos/Bellos) @ "Poetry Bar"

Anamateur, along with beloved Pros Yiannis Kassetas (tsax), Georgios Kostopoulos (cb) and Sera Bellos (dr) in one of the rare reappearances, that is expected to be explosive. The repertoire will not include only well-known trademarks of Anamateur ("A peça nova de uma rebelde jovem, espirituosa e bonita", "Δέν τὰ φάγαμε μαζί, κουρσάροι τοῦ ὑφάλμυρου νεροῦ"), but also unedited new originals: "Wir werden nicht stellen den Infinitiv am Ende des Hauptsatzes, Herr Schäuble", "What did just happen off Pylos?". Will "This is a genocide / and we're not anti-semitic" be ready until the 30th? In any case the anti-apartheid standard "Black & Blue" of Fats Waller & Andy Razaf will be played as an encore.

Address: 4 Soultani str., Exarcheia, Athens, 106 83. Entrance: 5 €.
